

Activity 202 B Camouflage

Spider Division

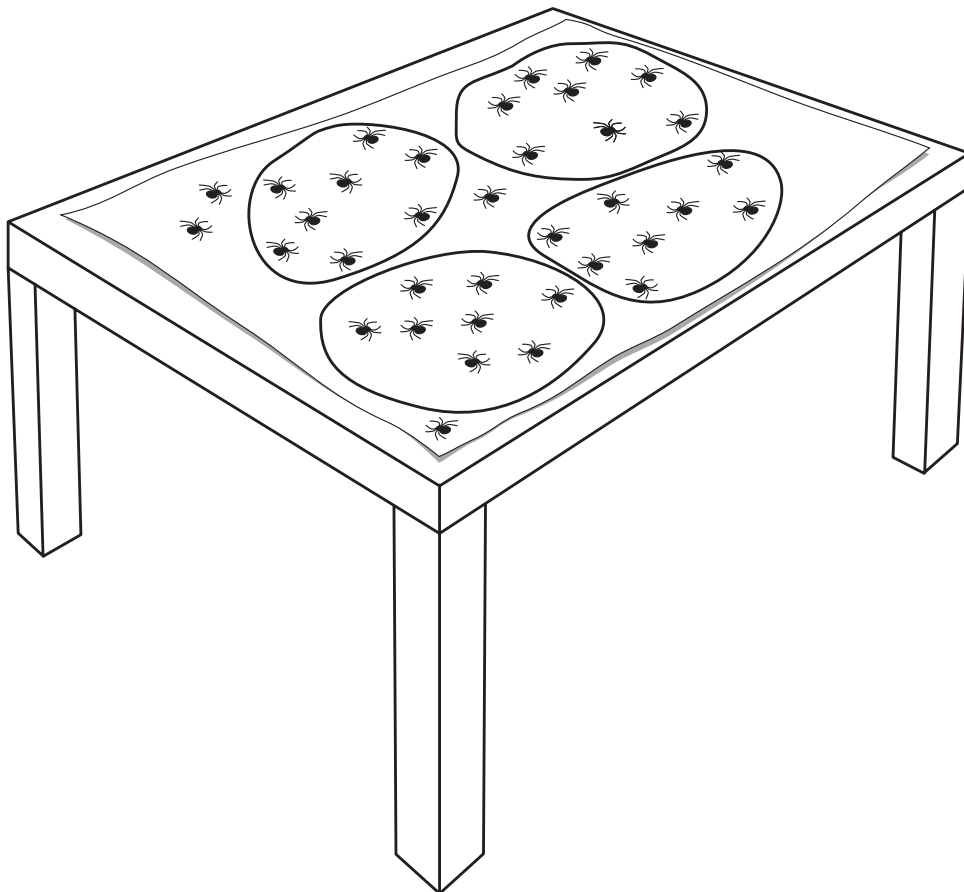

Objective Explore division problems with and without remainders.

What You Need Marking pens (or colored magnetic marbles)
Paper

Safety Follow your parent's or teacher's rules for safety.

Directions Fill a large sheet of paper with drawings of spiders or magnetic marbles representing spiders, then count all of the spiders and write that number down.

Next, circle groups of 8 spiders and count how many groups of 8 there are. Any spiders not circled represent the remainder.

Create 5 new problems of your own. Once you have the solution let someone else try to solve your problems.
